**Parent(s) please note:**

- *It would be very beneficial for your child to read out loud to another person in order to practice their pronunciation and fluency, as well as comprehension.*
- *Students should use the "5 finger rule" to select "good fit" books so that their reading skills can gradually progress.*
- *French books, magazines, websites and homework materials are all appropriate reading choices.*
- *Each week students will have the opportunity to select French reading materials from the school library.*
- *Students are encouraged to visit the "Lecture" page on our class website, the Vancouver Public Library or Kidsbooks to view additional French literature.*

Students are asked to record the books they read and complete the self-assessment below at the end of the month.
