Student-led Conferences

Division 7, April 2022

The main focus of this Student-led Conference is to give students an opportunity to showcase some of their recent learning.

Your child knows what to do: simply follow their lead. Your child will show you some of their work and guide you through a few activities. We hope you enjoy this celebration of your child's learning.

Please complete the reverse side of this form and return it to school by Tuesday, April 26.

French Language Arts

1. Révise ton étude de roman avec un parent. Lis les commentaires. Au verso de ta grande feuille, copie les mots d'orthographe 3 fois. Montre ton parent la copie de ta feuille jaune et l'apporte à la maison.
2. Réponds à l'oral à une des questions guides de l'émission ONIVA! sur les machines. Soutiens ton opinion avec des raisons claires et des détails spécifiques.

English Language Arts

1. Choose one of the activities at the Poetry Centre to complete with your parent.
2. Share one of your favourite poems from our classroom collection with your parent. Why do you like this poem? What does it mean to you?

Mathematics

1. Choisis un jeu de math à jouer avec ton parent. Tu peux choisir entre:
 - Vingt-quatre
 - Les produits comparés
 - La pêche aux fractions
 - Dominos des fractions
2. Révise le tableau de fréquence et le pictogramme correspondant que nous avons créés en classe. Réponds aux questions à l'oral pour interpréter les données.

Science

1. Identifie les parties de cette machine simple. Démontre à ton parent comment fonctionne un levier. Quelle position du pivot demande la plus de force?

Three Stars and a Wish...

A star is a compliment for something your child has done well...

1. _____
2. _____
3. _____

...and one wish for improvement.
